MEMORANDUM FOR:  O/DDS

SUBJECT: Periodic Reporting

REFERENCE: Action Memo No. A-455, dated 4 Jun 1965,  
to D/Personnel from ExDir-Compt., Same  
Subject.

1. This is to confirm our telephone conversation of 28 February concerning cancellation of the reporting requirement contained in referenced memorandum.

2. It is my understanding that various factors have precluded compliance with the reporting requirements of A-455 since issuance. Additionally I note that other recurring reports submitted by the Office of Personnel, coupled with data available on request, adequately satisfy the requirements of this Office and intent of subject report. Accordingly the quarterly report prescribed in paragraph two of the referenced memorandum may be considered permanently cancelled.
